

# Skilled Nursing & Long-Term Care Revenue Cycle Management

**primeCLAIMS** clearinghouse provides essential integrations that enhance workflow efficiency and accelerate payments. **primeCLAIMS** helps identify payer or processing delays that may impact cash flow, optimizes claims processing times, and reduces days sales outstanding (DSO).

## About Us

**primeCLAIMS** drives revenue cycle success for senior care organizations with **primeCLAIMS**, an all-payer clearinghouse that integrates with EHRs for more accurate claims submissions and faster reimbursements.

## Why Choose Us

We ensure you get paid for every minute of care provided, keeping the workflow streamlined & efficient and helping billers collect **Every Dollar, Every Day.**
